About SHINING

SHINING Aluminum Packaging Co., Ltd. is a leading Chinese manufacturer specializing in high-quality aluminum containers, including bottles, cans, tubes, and other innovative packaging solutions for global consumers in industries such as wine, vodka, beer, energy drinks, olive oil, soft drinks, coffee, and health beverages.

We use non-toxic epoxy resin coatings inside our packages to ensure product safety and freshness. Our packaging has passed stringent third-party testing in compliance with both LFGB and FDA standards.

At SHINING Aluminum Packaging Co., Ltd., we pride ourselves on providing innovative, customized packaging solutions designed to enhance and elevate the value of your brand.
